HONDO CELEBRATES.

Score another success for Hondo! People from every direction of the compass began pouring into Hondo Thursday morning and soon it was thronged with people here for the Armistice Day Celebration.

The crowd assembled at the Fair Grounds where all of the features of the event were held.

A band concert at 10 o'clock by the Pearsall Military Band put the crowd in a festive mood and the spirit seemed to last throughout the day.

The only disappointment of the day was the failure of the orator, Hon. Wayne Davis, to appear. He was detained at Laredo on account of an important Federal court case. In his absence, Prof. W. N. Saathoff made a few remarks pertinent to the occasion and in his usual happy vein.

Dinner was served at an early hour. An abundance of barbecued beef, done to an epicure's most exacting taste, bread, pickles and coffee were served in cafeteria style and all were supplied in plenty so that none went away hungry.

At 1:30, the race program followed. Five races for attractive purses were run with the following entries and results:

1st race, 550 yards for 2-year-olds, purse \$50.00. Won by F. G. Senne's Black Streak. The other entrants were: Eugene Schott's Twin City, 2nd; Henry Frerich's Red Girl, 3rd; and John Buss' Hondo Girl, 4th.

2nd race, Shetland ponies, purse \$10.00. There were four entrants in this race and they came out in the following order: George Muennink, 1st; Homer Tomerlin, 2nd; Fred

Bader, 3rd; Anthony Jungman, 4th. 3rd race, 3/4-mile free for all, purse \$75.00. In this race Nic Haby's Gold Enamel took first place with three others running in the following order: Round the World, John G. Schuehle owner, 2nd; Nellie Gray, John Schuehle owner, 3rd; and Silver Slipper, Henry Schuehle owner, 4th.

4th race, boot and saddle race, for purse of \$10.00. In this race Reilly Sittre won first while Pete Beal came out 2nd; Wiess Sittre, 3rd and P. R. Richter, 4th.

5th race, 1/2-mile and 50 yards, purse \$75.00. Only three horses were entered in this race, and the result was as follows: Gold Enamel, Nic Haby owner, won first; Nellie Gray, John G. Schuehle, second; and Round the World, John G. Schuehle owner, third.

Following the races the Pearsall and Sabinal football teams played a hard fought game with the result that Pearsall won by a score of 25 to Sabinal's 7.

This closed the field events and the grand finale of the day came with a grand dance at the auditorium at night.

Mrs. C. C. ABBOTT, DISTRICT MANAGER, 738 Hammond Avenue, San Antonio, Texas

On the whole, the day was enjoyably spent and the celebration was a success from every standpoint. Upward of 3,000 people entered the gates. And a more orderly or good natured crowd it would be hard to assemble. The music at intervals throughout the day by Pearsall's splendid band served to enliven the occasion.

The management is grateful to all who contributed in any manner to the success of the event, and especially to the band for its music and to Prof. Saathoff for coming to the rescue with a speech in the absence of the speaker of the day.

Malinda Bertha Watson, the little daughter of Mr. and Mrs. Tom Watson and grand-daughter of Mrs. Joe Breiten, died Tuesday, Nov. 2nd, aged one year, seven months and six days. The funeral services were held at the home of Mr. Ernest Boehle in Hondo, Rev. W. S. Ezell officiating. The death was unusual in its circumstances, the cause being an acorn which the child had swallowed, and which seemed to have been lodged for a week or two in the throat, or somewhere in the bronchial tubes. Death took place in the night as the parents and grandmother were enroute with her to San Antonio for surgical attention. The friends of the family extend their sympathy to each one in this time of their sorrow.

Editor Alfred J. Schmidt of the Pearsall Leader and Band Master of Pearsall's splendid Military Band, not only led the band but headed a large delegation of Pearsall people in attendance at our Armistice Day celebration. Hondo not only enjoyed the band's music and the playing of Pearsall's foot ball squad with the Sabinal team but appreciates the presence of each and every one of our visitors.

Mr. and Mrs. F. S. Cockrell are here visiting and looking after business interests. Mr. Cockrell is now traveling salesman out of Dallas for a wholesale dental supply house. Dr. H. J. Meyer, R. A. Carter, J. R. Chancey and Fred Mitchell leave this morning for the Big Bend Country in Brewster County to join in a bear hunt in the wilds of that rough country. Their friends forewarn them that no bear stories go unless accompanied by the smell of the grease.

District Judge L. J. Brucks convened district court at Leakey last Monday for the fall term. As the grand jury adjourned court without returning any indictments, the court adjourned Wednesday evening after having disposed of its civil cases.

SHALL HONDO INCORPORATE

At an informal meeting of the Directors of the Hondo Chamber of Commerce last Monday afternoon to consider the matter of renewing the contract for street lights and extension and enlargement of the present lighting system it was decided to call a mass meeting to assemble at the Chamber of Commerce Hall at 7 o'clock Monday night, November 15th, that all citizens might have an opportunity to hear the matter fully explained and enter into the public discussion of the same.

At the same time the question of whether or not Hondo shall incorporate will be taken up for consideration. These are vital questions in which every citizen of the town is intimately and personally interested. The place to make your wishes known is at this meeting, where they can be weighed and considered in the light of what is best for the community as a whole. Come prepared to accord the other man a courteous hearing and to make yourself heard in like manner. See the call elsewhere; keep the hour and date in mind and be on hand.

FIRE AT ARMSTRONG HOTEL

Heat from the flue at the Hotel Armstrong kitchen set the ceiling on fire about four o'clock Thursday afternoon and the fire had gained considerable headway before it was discovered.

When the fire alarm blew most of the fire boys were out at the Fair grounds watching the races and there was a mighty scurrying to get to the fire house.

Fortunately the iron-clad roof and walls of the kitchen annex and the brick walls of the main building prevented the rapid spread of the flames and it was soon extinguished after the firemen reached the fire with the hose.

Very little damage occurred save to the kitchen and this will amount to some two or three hundred dollars. The loss is covered by insurance.

The Cafe had just opened to the public that morning. Promptly restored the kitchen to order so that the Cafe's patrons were served a supper.

NEW SERVICE STATION OPENS

The L. E. Kollman, Jr., Permanent Service Station opened today for business. This service station has an attractive new brick building constructed on the highway about five blocks east of the postoffice and is the first station reached coming in on the highway.

Mr. Kollman will handle the Permanent Gas and Oil Products and offers the public the services of a first class auto supply station.

JOE'S LUNCH COUNTER.

I will reopen at my former Cafe stand next week and conduct an up-to-date Quick Lunch Stand. Will also carry a line of fruits, tobacco, cigars, etc. Former patrons and all needing the service I can give are asked to remember me with their patronage.

Yours to serve,
JOE HUESER

MEETINGS TO MEET IN SAN AN-
TONIO.

Capstone reunion of the
Rite Bodies of San An-
tonio will convene in semi-
annual session, November
15th, which will probably be one of the
most notable Masonic gatherings in South-
Texas. In addition to a large
number of candidates, and several
members, the reunion will
be attended by the presence of many
distinguished guests and visitors.
Among the notable guests of the
reunion will be Hon. Dan Moody and
Comptroller Coppini, the New York
Governor. Moody, an active member
of the Austin, Texas, Scottish Rite
Consistory, has accepted an invitation to
attend the consecration ceremony
at the installation of the Temple,
which will take place on the evening
of November 15th, the opening day
of the reunion. Coppini, designer of
the Temple, and a thirty-second degree
Master of San Antonio Consistory,
will also deliver an address at this
reunion, explaining the significance
of the figures and symbols used in
the ornamentation of the doors.
The doors commemorate the patri-
otism, as well as the philosophy, of
the Scottish Rite Masonry, and are
to be the only ones of the kind
ever installed in any Masonic
Temple in the United States.
The Master Poyntz Cochran, 33rd
degree, Sovereign Grand Inspector Gen-
eral of the Rite in Texas, and the
past official of the fraternity in
the State, will preside at the cere-
mony. Judge William Seat Fly, 33rd
degree, I. G. H., Past Grand Master
of the Rite in Texas, and one of the
leading orators and leaders of
the Order in the State, will deliver
the principal address of the evening.
The historical and allegorical
significance of the memorial doors of
the Temple.
The Master Masons and their fam-
ilies are invited to attend this im-
pressive ceremony. The Scottish Rite
quartet will sing several
selections during the even-
ing. A special program of entertain-
ment has been arranged for all visit-
ing Masons and ladies.

pressive ceremony. The Scottish Rite

The Capstone reunion will be
quite notable in that it will mark
the successful consummation of the
people's refinancing campaign—
placing of an issue of \$900,000.00
of Masonic gold bonds, provid-
ing for the liquidation of all indebt-
ness incurred in the construction
of the great building. These bonds,
secured by a first mortgage on the
Temple property, and redeemable on
or before twenty years from date of
issue, have proved to be a very popu-
lar form of investment for mem-
bers and friends of the fraternity,
and have "gone over the top" in a
way that has brought pride and re-
sulting to the hearts of the seven
thousand members of the local
Bodies. Mr. P. D. Mathis, Secretary
of the Bodies, states that no "high-
priced" sales force has been employ-
ed, and not a dollar in commissions
or brokerage fees has been expended,
in connection with the placing of
these securities. "The bonds have
actually sold themselves," he says.
The great bulk of the subscriptions
have been voluntary, only a modicum
of personal solicitation having been
made. Under the circumstances, we
feel that the success of this bond
campaign represents an achievement
that is unique in the history of the
fraternity. The result is a splendid
tribute to the loyalty of the mem-
bership, and the prestige which our
fraternity enjoys outside of our own
ranks."
The twenty-nine degrees of the
Order will be conferred in full cere-
monial form during the reunion.
There are something over four hun-
dred different roles included in the
dramatic cast of characters, calling
for a great variety of histrionic and
dramatic talent. The teachings of
each degree are graphically present-
ed by trained degree teams, and are
given home to the heart and conse-
quence with moving dramatic power.

A number of these degrees will com-
pare favorably with the great tragic
plays of Shakespeare.
Enhanced by a wealth of superb
scenery and beautiful stage effects,
and supplemented by the soul-stir-
ring strains of impressive music, the
tenets of Scottish Rite Masonry come
forth with hands and feet and take
hold of the memory with a grip that
could never be achieved by mere
portatory lectures.
The degrees from the fourth to
thirtieth will be conferred, Novem-
ber 15th; from the thirtieth to the
thirtieth, November 16th; the twenty-
first to thirtieth, November 17th;
the thirty-first to thirty-second, Nov-
ember 18th.
The semi-annual ceremonial of
Alzafar Temple, Nobles of the Mys-
tic Shrine, the picturesque and color-
ful "playground of Masonry," will
follow the Scottish Rite reunion on
November 19th.

Bilious
dull feeling
"My old stand-by is Thedford's
Black-Draught—I have used
it off and on for about 20 years,"
says Mr. W. S. Reynolds, of
R. F. D. 2, Arcadia, La.
"I get bilious and have a bad
taste in my mouth. My head
feels dull. I don't just feel like
getting around and doing my
work. I know it isn't laziness,
but biliousness."
"So I take a few doses of Black-
Draught and when it acts well, I
get up feeling like new—full of
pep and ready for any kind of
work."
"I can certainly recommend it."
In case of biliousness and other
disagreeable conditions due to
an inactive liver, Black-Draught
helps to drive the poisonous im-
purities out of the system and
tends to leave the organs in a
state of normal, healthy activity.
Black-Draught is made entirely
of pure medicinal roots and herbs
and contains no dangerous or
harmful mineral drugs. It can
be safely taken by everyone.
Sold everywhere. Price 25c.

Just Starting in McCall's
Shortly after this beloved

two years ago, Mrs. Porter's

And now "The Magic Garden"
is just starting serially in Mc-

A TONIC
Grove's Tasteless chill Tonic restores
Energy and Vitality by Purifying and
Enriching the Blood. When you feel its
strengthening, invigorating effect, see how
it brings color to the cheeks and how
it improves the appetite, you will then
appreciate its true tonic value.
Grove's Tasteless chill Tonic is simply
Iron and Quinine suspended in syrup. So
pleasant even children like it. The blood
needs QUININE to Purify it and IRON to
Enrich it. Destroys Malarial germs and
Grip germs by its Strengthening, Invig-
orating Effect. 60c.
No Worms in a Healthy Child
All children troubled with Worms have an un-
healthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS chill TONIC given regularly
for two or three weeks will enrich the blood, im-
prove the digestion, and act as a General Strength-
ening Tonic to the whole system. Nature will then
throw off or dispel the worms, and the Child will be
in perfect health. Pleasant to take. 60c per bottle.

DEVINE NEWSLETS.

From The Devine News. Pioneer Black Creek Citizen Passes Away.

John Alfred Littleton, 64, a native of Milam County, passed quietly away at the home of his son, Logue Littleton, at Zigzag, Friday, October 19th, at 6:30 p. m. Deceased's health failed him early in the fall and he was taken to Baylor hospital, San Antonio, and all that skilled surgeons and trained nurses could do was done for him. About a month ago an operation was performed and he seemed to be improving until a week ago he said the end was near and he wished to come home. The nurse came with him and everything possible was done to the last. He was married in 1884 to Jane Elizabeth Broadnax, and to this union were born seven children, five boys, John, Sam, Logue, Martin and Dee; and two daughters, Mrs. Alma Carroll and Miss Verna Littleton. John died in 1917, and the mother in 1918. Mr. Littleton was a good citizen and a kind and loving father and husband. At the time of his death he was a member of the Black Creek school board, and took great interest in the affairs of the community where he lived for about half a century. The funeral Friday afternoon was very large, a great many people from Devine and Moore and San Antonio attended. Editor W. L. DuBose, who had been his personal friend for forty years, paid worthy tribute to his memory and asked that his sons and daughters emulate his example and carry on in the same noble way as citizens and public spirited men. The grave was covered with many beautiful floral offerings. The pall bearers were John W. Roberson, G. B. Grant, J. E. Bowman, James Love, A. A. Gates and Edward Beason, of San Antonio.

A Pretty Church Wedding.

On Tuesday, October 26, at 9:30 A. M. at St. Joseph's Catholic Church, Rev. Leo Goertz officiating, Miss Alma Neatherlin, youngest daughter of Mr. and Mrs. Robert Neatherlin, became the bride of Mr. George Ehlinger, youngest son of Mr. and Mrs. Ed Ehlinger, Sr. The attendants were: Erwin Neatherlin and Miss Clara Schott; Herman Zuercher and Miss Lucille Kempf; Frank Lutz and Miss Elizabeth Zuercher. Little Miss Lutz of San Antonio was ring bearer and Mrs. O. A. Slater, the bride's sister, was matron of honor. Celebrations were carried on at the home of the bride's parents throughout the day. The happy young couple will make Devine their home and The News joins in congratulations.

Pioneer Ranchman Called To His Reward.

The editor of The News was called to Moore Saturday afternoon to speak at the grave of Mr. John Braun, 88, a native of Connefield, Kress Melsungen, Germany, who passed away at his ranch home, Friday night. Deceased was a member and one of the last survivors of the Castro Colony, who founded Castroville. About 1850, at the age of seventeen, he bade farewell to all his people, and sailed for America, landing at Galveston, after a stormy voyage of 65 days; and 14 days later on June 24th, 1856, by ox team with other immigrants, landed at Castroville. None of his immediate family came with him and he never again saw any of his father's family. He came here to adopt a new country, and from that day until the day of his death he was an American, loyal to his adopted home and country. He worked four years at \$4.00 the month and board, on the Medina, for the older members of the colony, later drew an allotment of land; and at his death, he was and had been comfortably situated on the old ranch, six miles south from Devine, with his children, three sons and one daughter, all having homes located around him. He was twice married, his first wife, who was Miss Christine Wagner of Castroville, died at the birth of their first child which also died, leaving him alone again. On the 4th day of January, 1873, he was happily married to Miss Mary Bader, sister to the present Sheriff Joe Bader, of Medina County, who survives, with the four children, Otto, Will and Fred and Mrs. T. B.

Roberson of Devine, 5 grandchildren and two great-grandchildren also survive him. Mr. Braun was a consistent member of the Lutheran Church, and held membership at the old church in Castroville, which with his own hands he helped to build. He was a good citizen, and his neighbors say the most scrupulously honest man they ever knew. Several days before he died, which was largely caused by a fall from his porch in June, he asked about his approaching birthday, when he would be 88 (Oct. 25th) and was told that it was only a few days off. He said, "I want to live until my birthday." The folks then asked him about his wishes in regard to his funeral and he gave them directions, among other things saying that he wanted "Brother DuBose" to conduct the funeral; as he had known him so many years, and he had married some of the younger members of the family, and others in his home. His wishes were carried out and the funeral was large, a great many people going down from all parts of Medina County, especially from Castroville and LaCoste. The pall bearers were Jake Mechler, John Wipff, Gus Brieden, G. C. Harrison, Fred Bippert, Hugh Obets and August Koenig. The grave was literally banked with beautiful flowers.

The world today is poorer by losing a man like this, but infinitely richer because of his life. Schooled in economy, industry and honesty, he triumphed over the wilds of a new country, established a happy home and reared his children, and gave the world an example of a real honest man, the highest workmanship of God. He was a German by birth and early training, but a true American in principal, and never a time faltered when duty to God and his adopted country called for him. He endured the privations of a pioneer colonist, and helped pave the way for civilization. Like Hawthorne's "Wayworn Traveller" "at the close of day", he builded a bridge for his children to pass over when they reach the brink. It will be easier for them because of his life and works.

From Yancey.

A slow drizzling rain is falling at present and it looks like it will continue for some time. It will be of great benefit to everybody; farmers will get busy planting oats and fall gardens.

We are glad to report that Mrs. Lanford has returned from San Antonio, where she has been at Baylor Hospital for three weeks, having undergone a serious operation.

Rev. Don Martin is attending Annual Conference at San Angelo. We received the report this morning that he will be our pastor for the ensuing year and we bid him a unanimous welcome.

PARENT-TEACHER ASSOCIATION

The regular meeting of the Parent-Teacher Association, which was held at the school house Monday afternoon with Mrs. John A. Horger presiding, was opened by reading the creed.

The treasurer, Mrs. Barnitz Carle, reported a balance of \$100.41 in treasury; also \$30.25 collected in dues, which gives the Association 121 paid up members for 1926-27.

Mr. Brewster, chairman of the committee appointed to purchase books for the school, reported a small amount of books bought at an approximate cost of \$50.00, and others to be bought soon. Realizing that the purchase of the books would deplete the treasury considerably, the Association discussed various means of supplementing their funds and finally decided on a Mexican Supper to be given Saturday evening, November 13th, at the Rest Room and the following committees were appointed:

To arrange for Mexican cooks—Mrs. W. H. Smith, Mrs. O. H. Miller and Mrs. Earl Starnes.

To provide dishes—Mrs. Horace Bradley, Mrs. Elmer Leinweber and Mrs. Roland Chancey.

To make inchalades—Mrs. Earl Starnes, Mrs. O. A. Fly and Mrs. Chas. Huehle.

Rice and Beans—Mrs. Will Muench, Mrs. E. J. Murray and Mrs. Richard Reily.

Soliciting—Mrs. Oscar Miller, Mrs. J. Monkhouse, Mrs. Theo. Cameron, Mrs. Barnitz Carle and Mrs. Elie Bless.

Coffee—Mrs. Walter Short, Mrs. Carter, Mrs. Harry Crouch.

Complying with the request from the Parent-Teacher Association, delivered by Supt. Saathoff, that some of the members of the local P. T. A. meet with them in the near future and aid them in placing their newly organized club on a firmer foundation, Mrs. Horger appointed Mrs. Roland Chancey, Mrs. T. C. Barnes, Mrs. O. H. Miller, Mrs. Richard Reily, Mrs. Fletcher Davis to visit the organization on December 3rd.

In the count for the banner, the high grade was the best represented and thus secured the banner for the month of November.

At the close of the business session the following program was rendered:

Vocal Solo—Mrs. O. A. Fly with Mrs. W. H. Smith as accompanist.

Saxophone Solo—Ovis Schuehle.

Mrs. W. H. Smith at the piano.

Piano Solo—Miss Will Gideon.

"DAREDEVIL" DRIVER MAKES ENDURANCE RUN IN CHRYSLER.

EDINBURG, Tex.,—Nov. 6.—A rather unique test of the stamina of an automobile and the endurance of a driver, was recently conducted here by the South Texas Motor Company, Chrysler distributors for the Rio Grande Valley.

A new Chrysler "50" coach, with "Dare Devil" Cathey, an endurance driver at the wheel, left the company's salesroom and 100 hours later returning to the same place, having been locked to the steering wheel of the car all of that time.

Sheriff A. Y. Baker of Hidalgo County locked Cathey to the wheel, who was released by the sheriff at the conclusion of the drive. During all of that time Cathey had gone without sleep and had subsisted on a liquid diet.

The total distance covered was 1,412 miles, with an average gasoline mileage of 24.7 miles. Only two quarts of oil was used in the entire ride, and no water placed in the radiator.

All of the Lower Rio Grande Valley was covered during the ride and the test created wide-spread interest owing to its unusual features. Numerous wagers were laid as to whether Cathey would be able to endure during the 100 hours without sleep and in the same position, but aside from being completely exhausted, he was in good physical condition at the end of the test. Cathey stated that the ease of handling and absence of vibration in the "Chrysler '50'" contributed to the success of the undertaking.

The South Tex Motor Company is elated over the showing made by the test. The car was equipped with Firestone tires supplied by William R. Dwyer of Edinburg and completed the run without taking additional air.

Chrysler sales in the Valley during the past year have been more than 500 cars and it is thought that this figure will be doubled during the coming year.

SOPHIAN CLUB.

At the meeting of the Sophian Club Wednesday afternoon Mrs. W. C. Brown presided (Miss Stone being in Dallas attending the State Convention of Federated Women's Clubs) and opened the afternoon's session by having the club sing "America the Beautiful". After a short business session, Miss Katherine Keller, leader, opened the study hour by telling the story of the life and checked career of Edgar Allen Poe.

Miss Willie D. Fly followed with a paper on "Poe's Ideas on Poetry" and the "Quality of Poe's Poetry".

Miss Pearl Fawcett read a paper on "Poe and the Short Story."

Mrs. Edward Cameron gave an analysis of "The Gold Bug".

Then followed a round table discussion of the lack of moral in Poe's stories; favorites of his poems; "The Bells"; the meaning of Ulalume; Poe's relative rank among American poets.

PAT AND CHASE.

The second vaudeville feature of the Colonial last Wednesday night was the "Ukulele Fools."

The two boys were remarkable in their performance. Just once in a great while you are fortunate to hear such music. They also offered several songs which brought lots of applause.

The two performers seemed to enjoy their act as much as the audience which was a crowded house. Next in line will be Irene White & Co.

The Colonial so far has fulfilled its promise with high clean performances.

MY MOCKING BIRD

Before the first rays of dawn
Has brightened the eastern sky,
He wakes the world with his
bugle notes
And prepares himself to fly.
He sings on the hill tops, also
in the dell;
He sings where our loved
ones are sleeping—
No funeral dirge does his
merry note sound,
But an anthem of praise
for his keeping.
And, as if to soothe the cries
Of some waking babe in
fright,
He sings his soft lullaby
In the quiet of the night.
So when brooding o'er your
troubles
That from life's worries
spring,
Just banish all unpleasant
thoughts
And like the mocking bird
sing.

WINS BLUE RIBBON.

H. F. Wurnbach is a happy man
this week. He has just received a
handsome blue ribbon from the man-
agement of the Dallas Fair which
was won by a two-year-old Holstein
bull, recently purchased by him from
the Flowerdale Farm, Dallas, in
"competition with a great many en-
tries."

This blue-ribbon-winning male,
Flowerdale Echo 488,612, was calved

by Flowerdale Echo Sylvia King
361,291 H. F. H. B. and dammed
by Queen Pontiac Alcatraz 245,475
H. F. H. B.

That he is an exceptional animal
is evidenced by his taking first
honors at a big fair like that at
Dallas which is second to no other
fair in the South.

Mr. Wurnbach is deserving of a
great deal of credit for introducing
better blooded animals into our sec-
tion.

Watch
Elimination!

Good Health Depends Upon Good
Elimination.

RETENTION of bodily waste in
the blood is called a "toxic con-
dition." This often gives rise to a
dull, languid feeling and, sometimes,
toxic backaches and headaches. That
the kidneys are not functioning prop-
erly is often shown by burning or
scanty passage of secretions. Thou-
sands have learned to assist their
kidneys by drinking plenty of pure
water and the occasional use of a
stimulant diuretic. 50,000 users give
